Employment Services

Corey Integrated Community Supports LLC now introducing:

Paid Internship Program (PIP):

- As an add-on to our CIT program. We ask everyone to participate in our vocational curriculum prior to entering PIP and we continue to provide resources in other areas to foster growth and development.
- As part of an employment focus in our TDS program. We ask everyone to participate in our vocational curriculum prior to entering PIP and we continue to provide resources in areas tailored to individual needs and desires.

Competitive Integrated Employment (CIE) Program:

- As an add-on and the ultimate fulfillment of the CIT program, for those desiring permanent, meaningful employment. Participants may arrive in the CIE program either as a consequence of successful PIP placement or by direct placement in CIE.
- As part of an employment focus in our TDS program. Participants may arrive in the CIE program either as a consequence of successful PIP placement or by direct placement in CIE.

The Dedicated Staff, Resources, Focus to Make This Happen:

- At CICS, we don't take anyone or anything for granted. Our dream and how we measure our success is based on the ability of our participants to fully engage in meaningful adult lives. This includes employment opportunities.
- We persist and learn and grow together and navigate our way to successful job placements and enhanced lives.
